

WANTED: MANAGEMENT CONSULTANTS

At the Management Efficiency Unit our mission is clear and unequivocal:

“to facilitate the improvement of Government Services”

Whether the focus is on strategy or operations, on organisational change or strategic business technology, our people are committed to helping clients prioritise their activities, improve their services and business relationships as well as their financial performance.

As the in-house Management Consultants to Government, our watch words are:

**priorities - deliverables
cost containment - efficiency**

If you wish to influence government **policy**, participate in its **implementation**, and contribute to effective **change**, you should be interested in joining us.

We are offering a limited number of full-time definite contracts to high achievers holding a University degree in Business Management or Public Administration, with a focus in at least one of the following areas:

- **Public Policy**
- **Strategy**
- **Organisational Design & Development**
- **Human Resource Management**
- **Project Management**

Positions offered will be commensurate with depth of knowledge and experience. Further information on MEU maybe obtained from www.meu.gov.mt/

Letters of application, including a detailed curriculum vitae should be addressed to:
